Subject: The Boeing Company FAA Conformity Inspection - Delegation of 8130-9 Authority Approval

We are pleased to inform you that your company has been approved to participate in the Supplier Delegation of FAA Form 8130-9 Authority Program for The Boeing Company. This is an indication that your company have met the following minimum procedural requirements for delegation:

- o Process to identify and maintain a supplier conformity focal.
- o Supplier delegate selection requirements.
- o Training and documentation of completion requirements, including the Boeing provided D6-83570 training and TR010248, training module.
- o Direction to conduct conformity and 8130-9 documentation requirements in-accordance with Boeing's D6-83570 document.
- o Instruction to provide a current list of authorized supplier delegates to the SQR, and when changes in the suppliers list of delegate's status occurs (i.e. Change of supplier conformity focal, addition or deletion of supplier delegates) to notify the SQR and provide the updated list of authorized persons.
- o Instruction to provide to the Organization Designation Authorization (ODA) Inspection Unit Member (I-UM) a copy of the Delegation Authority Approval Letter with the signed FAA Form 8130-9 for each conformity.
- o Instruction for supplier delegates to retain copies of all completed FAA 8130-9 conformity activity for a minimum of one- (1) year from date of completion and upon request provide a copy of completed 8130-9 Conformity packages to the SQR for review.

If you have not previously been delegated 8130-9 conformity authority, the SQ Representative will oversee your execution of at least one conformity inspection.

Going forward, as a delegated supplier, your Organization will perform, on behalf of Boeing, completion of the FAA Form 8130-9 and presentation to the ODA I-UM in accordance with the Boeing D6-83570, when assigned to you. This delegation is limited to 8130-9 conformity inspection performed at the company and location noted on FAA Form 8120-10 assigned to your company. The individual completing the FAA Form 8130-9 on behalf of Boeing shall not be the same individual completing the FAA Form 8100-1 and FAA Form 8130-3, if applicable, on behalf of the Boeing ODA.

Boeing will conduct annual performance reviews to ensure continued compliance to D6-83570 requirements.

Once again, congratulations to the SIMMONDS PRECISION PRODUCTS INC team for a job well done. If further assistance is required or you have questions, please contact your local Boeing Supplier Quality Representative.

Very truly yours,
